THE OFFICIAL MONTHLY PUBLICATION OF THE ATLANTA FIGURE SKATING CLUB

www.atlantafsc.org

Registration for Membership Renewal Now Open

The 2014-2015 membership renewal application is now available online through the EntryEeze link on the club website. EntryEeze includes links to our waivers, releases, consent for medical treatment, and volunteer areas. Please read through these documents carefully, as your processed application is your legal acceptance of these waivers and rules. When your membership is processed, you will receive an email notification from the club, and your U.S. Figure Skating membership card will be mailed to you directly by USFS.

If you have not received an automatic email regarding the registration process, your email address in our database is incorrect. Contact Membership Chair Francesca Sichenze-Bryant at membershipchair@atlantafsc.org as soon as possible.

If you plan to test or compete at a U.S. Figure Skating sanctioned event that begins on or after July 1, you must renew your membership before the application deadline.

Please make sure that the information automatically populated on EntryEeze from your current membership, including spelling, is correct. It is also very important that you provide accurate home mailing and email addresses so that we can communicate with you in a timely manner. Please note that all financial obligations, including payment of volunteer service fees, must be satisfied before your renewal will be processed for any club.

We appreciate your support of the awesome Atlanta FSC!

With the 2014 Magnolia and Atlanta Opens, the spring performance camp, the Awards Banquet, and the S.T.A.R.S. program behind us, we are now well into the planning phase of the 2015 South Atlantic Regional Championships scheduled for September 26 – 28 (Non-Qualifying) and October 5 – 8 (Qualifying.)

We are honored once again to have been selected to host South Atlantics and are committed to delivering an outstanding event in true southern hospitality style. We anticipate attendance by more than 1,200 skaters and their coaches, parents, families, and friends throughout the nine-day competition – a challenging scope of activity. Our success is absolutely dependent on our volunteers!

There will be many volunteer opportunities, and we sincerely hope every single member will contribute both time and talent. Perhaps you're a great salesperson who could help us recruit sponsors and advertisers. If you can handle manual labor, our operations team could use your assistance with set-up and disassembly. Maybe you're a fabulous cook – coaches' hospitality would appreciate your culinary delights. If you have a healthcare background, we could use your expertise as our medical coordinator.

This is an exciting and very busy time for our club! We sincerely look forward to working with all of you. Please contact one of us if you have any questions or need more information.

Changes to Club Bylaws

The club membership unanimously approved two changes to the bylaws: (1) Article IV, Section 10-C: Voting for the Board of Directors may now also be by email and (2) Article VI, Section 1: Effective with the 2014-2015 season, Life membership in the Atlanta FSC excludes membership in U.S. Figure Skating for new 20-year members.

The Atlanta FSC is the second largest club in the South Atlantic region, the third largest club in the Eastern section, and the 13th largest club in the country.

SPOTLIGHT SKATER

Catherine Yen

What are your favorite and least favorite elements?

My favorite elements would be the double flip and double Salchow because they come naturally for me. My least favorite is the layback spin. It's very awkward to do because I can't get the right position.

Competitive accomplishments

Last year I competed at Atlanta Open with my Juvenile long program. It was my first time getting into the semi-finals.

What is the most memorable event of your skating career?

My most memorable event was my first competition. I was super nervous, but I ended up placing first.

Whom do you admire most?

My parents and my coach because they are hard-working, smart, and always want to push me to my full potential.

Who is your favorite skater?

My favorite skater is Yuna Kim because she makes all her jumps and spins look effortless. I also like Yulia Lipnitskaya because even though she is young, she is extremely talented.

Tell us about your school and extracurricular activities.

I attend Autrey Mill Middle School, and I am a rising 8th grader. My favorite subjects really depend on how much I like the teacher. But I usually enjoy Social Studies and Spanish. I am a member of a volunteer club called Junior Beta, and I am a Junior Varsity Debater. I was awarded the highest grade in my Spanish and Language Arts class in 6th grade.

As for volunteering, I like to help out as a runner for competitions and at soup kitchens with my friends.

Tell us about your family.

I have a 15 year old sister, Christine, who also skates.

Best advice you have ever received?

No matter what happens, as long as you tried your best, then that's all that matters.

What are your future skating and educational goals?

I hope to be able to land my double Axel and start some triple jumps.

I want to become either a doctor or a forensic anthropologist. I want to continue skating for as long as I can and will definitely be attending college.

My favorite things are

Skating, music, and food

If I weren't a skater, I would have been

A volleyball or soccer player

Tell us something about yourself or your family that no one knows.

I get really bad headaches when I play video games.

Favorite word: Food

Least favorite word: Fake

Favorite food: Don't have one

Least favorite food: Onions and eggs

Favorite quote: "Enjoy the little things in life, because one day you'll look back, and realize those were the big things." –Robert Brault

What turns me off: When people slurp or chew with their mouth open

Favorite book: Divergent and The Fault in Our Stars

Favorite TV show: "Bones," "Chopped," and "The Voice"

Favorite movie: "The Host" and "The Hunger Games"

Favorite color: Mint Green

Sound I love: Rain

Sound I dislike: Snoring

I would never want to be: Janitor or garbage man

Three words that best describe me: Fun, talkative, smart

If I were stranded on a desert island, I would have to have: Unlimited food, laptop, and my phone

2014 ICE DANCE WEEKEND

Fifty skaters, representing 13 states and Canada and all levels and ages, danced to a mixture of traditional ISU and modern music during the 7th Annual Ice Dance Weekend at The Cooler.

Friday night we warmed up with social ice dance to a Wizard of Oz costume theme. On Saturday, coaches Graham and Janet Payne taught a low dance clinic between social dance sessions. During the Saturday night dinner dance at Pappadeux, ballroom instructor Reggie Beason introduced us to some West Coast Swing. On Sunday we had more social ice dance, with Graham and Janet teaching a high dance clinic.

Thanks to Chair **Laurie Sanii**, her husband **Rob Kriegel** (who cooked and donated the meals), coaches **Graham** and **Janet Payne**, and Gareth Nichols Photography and Rich Rossman for all the great photos!
