I was passionate. I found something that I loved. I could be all alone in a big old skating rink and nobody could get near me, and I didn't have to talk to anybody because of my shyness. I was in my fantasy world.

New SafeSport Policies in Effect

U.S. Figure Skating is committed to providing a safe, healthy and positive skating environment for all members and volunteers. Beginning July 1, 2018, all coaches, officials and necessary volunteers must have completed the SafeSport online training program and successfully passed a background check in order to participate in any U.S. Figure Skating activity.

For purpose of SafeSport, necessary volunteers are those individuals who are in a position of authority over minor athletes in their event role or who are in frequent contact with athletes, unless that contact occurs in a public area that is readily observable and interruptible by the general public.

At a minimum, the following individuals are considered “necessary volunteers” and must be compliant:

- Club/LOC leadership. **Chairs and/or committee positions with direct oversight of the competition.** This ensures that anyone in a leadership role with our LOC is allowed to be anywhere in the rink.
- Medical volunteers assigned to the competition (members and non-members)
- **Locker room monitors for sanctioned competitions, ice shows, club events**
- Any/all third-party organizations (Sports Commissions/CVB support staff) providing volunteer support with frequent access to athletes

Instructions for the SafeSport Training and Background Check

1. Log into your Members Only account at usfsaonline.org. 2. Click red bar: “Your member compliance is NOT COMPLETE,” or the U.S. Figure Skating SafeSport icon (second from left). 3. All compliance items are in the blue box that will appear on the screen. For SafeSport Initial Training, click red “BEGIN” button. Then enter your member number and validate the information is yours. 4. Complete the Account Setup, create a password. You will need access to the email address entered to validate the email before you can begin the training. 5. For a Background Check, click the red “BEGIN” button. You will be required to validate your information before being sent to the National Center for Safety Initiatives in a new window. You must pay for the background check and will be reimbursed by the club. Please have your Social Security Number, past addresses and driver’s license available.

Remember: If you see something, say something.

U.S. FIGURE SKATING NEW TESTING PROTOCOL

Effective Sept. 2, 2018, all U.S. Figure Skating tests (except figure tests and tests that are pass and retry only) will be marked with an evaluation scale of -3 to +3 in place of the 6.0 marks. Two new categories have also been added: pass with honors and pass with distinction for performing well above the passing average. Eliminated is the serious error restriction rules which mandated a retry or retry test result.

Three marks will be recorded:

- Free skate, Pairs and Free Dance: Elements, Skating, and Program
- Pattern Dance: Technique, Timing, and Expression

It is critical that all judges, test chairs, coaches and skaters are familiar with the new rules before attending a test session that is offered on Sept. 2, 2018, or later.

TEST RULES

Test Rules that are valid beginning Sept. 2, 2018, can be found in the [2018-19 U.S. Figure Skating Rulebook](#) as follows:

Rules for moves in the field tests, page 167

Rules for singles free skate tests, page 178

Rules for pairs tests, page 217

Rules for pattern dance tests, page 254

Rules for free dance tests, page 261

Club Ice Special Event - Back To School Bookworms! August 24

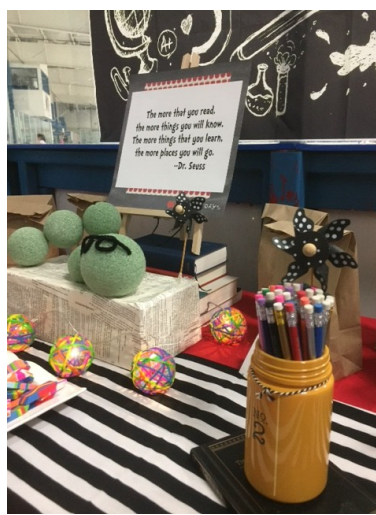

Approximately 24 skaters attended the season's first Club Ice Special Event. Many thanks to Special Events Chair **Nikki Edwards** and her committee - **Ingie Derouin**, **Kate Gorczyca**, **Creighton Gulati**, and **Christine Nix** - who decorated and prepared "brown bag" lunches of meat/cheese pinwheels, cookies, and gummy worms. An engraved Atlanta FSC pencil, an eraser, and a bookworm bookmark were also given to each skater.

Thanks also to **Tori Williams** for the Freeze Tag on-ice game and music playlist and to **Herbert Wiesinger**.

Exhibitions were performed by Novice dance team **Breelie Taylor** and **Tyler Vollmer** in preparation for the Novice/Junior Challenge Skate and by **Cristanne Goodwin** who performed a dramatic entertainment program that qualified for the 2018 National Showcase competition.

And everyone brought a book to swap!

SPOTLIGHT SKATER

Emily Hwang

What is your favorite element?

I love footwork, because I am able to show off my artistic side and really focus on presentation.

Favorite program and competitive accomplishments?

My favorite program/music is definitely the long program that I'm working on right now. It is from the "Howl's Moving Castle" soundtrack. I also loved my previous long program music called "Charms" from the W.E. movie soundtrack.

Who is your favorite skater?

Kim Yuna, Michelle Kwan, and Mao Asada. But if I had to choose one, it would be Kim Yuna.

What is the most memorable event of your skating career?

When I won first place in Birmingham, because my little sister also won her tennis tournament on the same day, and we celebrated together with Japanese ramen noodles.

Tell us about your school and extra-curricular activities.

I attend Georgia Connections Academy. My favorite subjects are geometry and literature. I took the SAT in 7th grade and got into the Duke TIP program.

Besides skating, my extracurricular activities consist of drumming. I've taken ballet since I was three and danced competitively since I was eight.

If I weren't a skater, I would have

Continued ballet.

Best advice I ever received

"Worrying makes you suffer twice." ~Newt Scamander

Tell us something about yourself or your family that no one knows.

I have Trypophobia, a fear of small holes.

What famous person would you most like to meet?

Emma Watson, because she is my role model.

My family is most like the TV show

"Teen Titans Go" because we're crazy and love to laugh.

Tell us about your family, other hobbies, pets.

I have a little sister who is 12 and a little brother who is eight. I love to read, listen to music, and draw.

What are your future skating and educational goals?

I would like to have a consistent and clean double Axel.

I would like to pursue a career in biomedical engineering and skate for as long as I can.

My favorite things are

Movies, books, and mints.

Whom do you most admire?

I admire my coach and parents, because of all the things they sacrifice for my skating.

Who would you choose to play you in the movie of your life?

Young Emma Watson

If I were stranded on a desert island, I would have to have:

Food, water, and a satellite phone.

Favorite word: *Flummadiddle, which means utter nonsense*

Least favorite word: *Disappointed*

What turns me off: *People who brag/ people who are arrogant*

Favorite food: *Sushi*

Least favorite food: *I don't have one*

Favorite book: *Kira-Kira by Cynthia Kadohata*

Favorite movie: *"The Little Prince"*

Favorite TV Show: *"The Office"*

Favorite Song: *"Somebody to Love" by Queen*

Favorite color: *Purple*

I would never want to be: *In public broadcasting*

Pet peeve: *Someone else eating my food*

Favorite Vacation: *When I went to Korea to visit my cousins and grandparents*

Three words that best describe me: *Perfectionist, introvert, curious*
