

Welcome to the ASFC 2022 Ice Show!

The Atlanta FSC is excited to announce details
of our annual Spring Ice Show!

What The World Needs Now Is Love

Living in a society that feels increasingly fractured, we travel back to Ancient Greece, where Zeus and Hera guide us through the one thing that has always brought people together - LOVE. This year, the marriage of music and skating hold the promise of love in all its forms: friendship, family, romance, self and community.

Performances

We will have two performances this year: Saturday April 23rd at 2 p.m. and 7p.m.

- Skaters will arrive and check-in at 1 p.m. for the afternoon show, which will not last longer than two hours (including intermission).
- Between 4-6 p.m., skaters will be provided with food so that they do not need to leave the rink if they don't want to do so.
- Skaters will check-in again at 6 p.m. for the evening performance.
- The second performance will start at 7 p.m.
- The show will wrap up by 9 p.m. on Saturday evening.

Registration Policies & Entry Fees

All skaters currently registered for Learn to Skate (March / April 2022 semester) are eligible to register.

- **Skaters will need to be in our Learn to Skate classes during the time of the show (April 23).**

All participating coaches must be registered and compliant with U.S. Figure Skating, which includes background screening and proof of liability insurance.

All parent volunteers will be SafeSport certified at the time of the show. The SafeSport program training and education is provided through an online platform that educates our members and assists in the prevention of harassment and abuse within our sport. Volunteers with close contact to skaters (e.g., locker room monitors) are required to complete this training and consent to a background check.

Registration Deadline:

Entry Fee = \$30

- The entry fee includes a costume for one group number, coaching, ice rental during the shows, and an on-ice dress rehearsal.
- Exceptions to the final deadline will be permitted pending approval from the Ice Show Director and Producer!

All registrations will be handled through the [2022 Learn to Skate Online Registration Form](#).

Volunteer

The success of the show will depend on the support of our volunteers, and opportunities abound!

Each performance group will require at least one parent Group Coordinator and one Costume parent.

We will also need assistance with prop construction, set-up and breakdown, lighting, ticket and program sales, ushers, backstage chaperones, costume construction, make-up, etc.

The more helping hands we have, the better the show we can produce!

You may indicate volunteer preferences during the online registration.

All volunteers must be age 18+.

SafeSport Volunteer Requirements

The SafeSport program training and education is provided through an online platform that educates our members and assists in the prevention of harassment and abuse within our sport.

Volunteers with close contact to skaters (e.g., locker room monitors) are required to complete this training and consent to a background check.

For more information, please see the [SafeSport Requirements doc.](#)
