5. Committee Reports

Membership Chair (Lindsay)- 247

Test Chair (Elizabeth)

- July 25th test session – 8 tests
- Protocol, virtual, and other tests taken in July – much smoother signup
- August test session- signups

- **Other:** The September Virtual Test is “live” as are the October 22nd and December 10th test sessions at The Cooler. Learned some lessons about sending test congrats out and will double check name spellings and add honors and distinction in future posts. (FYI...some skaters/parents think passing a Preliminary test or higher with one “honors” or “distinction” makes the whole test “honors” or distinction”. As a board, please know that I will place the appropriate designation by the skater’s name. So, if an “honors” or “distinction” is not present, they did not earn the designation.)

Volunteer Chair (Nikki) opt outs, possible need for fewer volunteers due to reduced protocols, better communication/goals onto the website what the different jobs entail

Special Events (Paul)

Competition Chair (Tea)
